Dear Secretary,

As some of you may be aware there is a fundamental change in the way that players are affiliated to the ETTA to come into force for next season. All players will have to be members of the ETTA in order to be able to play in the league. Player registration forms will have to be completed for every player and in most cases a separate payment will need to be made to cover their ETTA membership.

As this is very important it has been decided to hold the AGM and Annual Conference on 8th June 2010 when the situation will be fully explained to all clubs.

It is, therefore, essential that all clubs be represented at this meeting.

It also means a regulation change is needed as follows :

Regulation 7: REGISTRATION

New 7.1 All players must be members of the ETTA.

Existing 7.1 Replace the word 'player' with the word 'team'. Renumber as 7.2
7.2 to 7.6 Renumber as 7.3 to 7.7

The fee structure also needs to be amended and it is proposed that the fees for the winter league are reduced to £50 per team. Individual player membership fees will be payable separately.
