

**NORTHUMBERLAND TABLE TENNIS ASSOCIATION PLAYER GRADINGS FOR
KO CUP 2009 to 2010 as at 30 November 2009**

These handicaps have been based largely on the results of games played in the winter season 2008-09 with some adjustments for a number of improving players in the Summer Season 2009. The clubs and players names have been arranged in alphabetical order. The list will be used as the reference source for the KO Cup 2009-2010 and may be updated to include new players and correct any anomalies. Club secretaries are asked to check lists in advance of each round. If any of your players are omitted or if you require handicaps for new players, who must have played a minimum of 4 matches then contact Alan Hedley by e mail. If phoning do not phone after 9.00pm. Contact details are in League Handbook. Email tabletennis@talktalk.net

When two players meet in a handicap game they use their handicap numbers to calculate the start which the higher graded player gives to the For example a player graded 340 (from the Premier Division) with a handicap number of 2 meets an opponent graded 190 (say from Division 2) with a handicap number of 32. The difference between these handicaps (in this case 30) is then compared to a POINTS START CHART (see the table below) to give the number of points start which the lower graded player receives. In this example the chart . indicates a 13-point start.

Column A = Difference between 2 players' handicaps

Column B = the start which the higher graded player gives the lower

A	B	A	B
0	0	15 to 17	9
1	1	18 to 20	10
2	2	21 to 23	11
3	3	24 to 26	12
4,5	4	27 to 30	13
6,7	5	31 to 34	14
8,9	6	35 to 38	15
10,11	7	39 to 42	16
12 to 14	8	43 to 47	17
		48 up	18
