

**NORTHUMBERLAND TABLE TENNIS ASSOCIATION PLAYER GRADINGS FOR
KO CUP 2011 to 2012 as at 29 November 2011**

These handicaps have been based largely on the results of games played in the winter season 2010-11 with some adjustments for a number of improving players in the Summer Season 2011. The clubs' and players' names have been arranged in alphabetical order. The list will be used as a reference source for the KO Cup 2011-2012 and may be updated to include new players and correct any anomalies, at the discretion of the organising committee.

Club secretaries are asked to check lists in advance of each round. If any of your players have omitted or if you require handicaps for new players then contact Alan Hedley by e mail. If phoning do not phone after 9.00pm. Contact details are in League Handbook.

No player can compete in this competition without a grading and are required to hold individual membership, at the competition level, with the ETTA.

When two players meet in a handicap game they use their handicap numbers to calculate the start which the higher graded player gives to the For example a player graded 340 (from the Premier Division) with a handicap number of 2 meets an opponent graded 190 (say from Division 2) with a handicap number of 32. The difference between these handicaps (in this case 30) is then compared to a POINTS START CHART (see the table below) to give the number of points start which the lower graded player receives. In this example the chart . indicates a 13-point start.

Column A = Difference between 2 players' handicaps

Column B = the start which the higher graded player gives the lower

A	B	A	B
0	0	15 to 17	9
1	1	18 to 20	10
2	2	21 to 23	11
